WORK EXPERIENCE

Product Designer & Builder @ TeamSystem · Feb 2024 – Now

Industries: HR Tech, Fintech, B2B SaaS, AI-native products

- Part of a 3-person design team on an **AI-native HR/payroll initiative** for labor consultants and payroll specialists
- Contribute from IA mapping to AI-feature definition, alongside PM and engineering
- Build interactive prototypes with **AI-assisted tools (Claude Code, Figma Make)** to validate IA, navigation, and AI conversation patterns in days
- Translate ambiguous hypotheses and AI use cases into specs, acceptance criteria, and backlog items
- Ship features end-to-end across an HR SaaS portfolio (B2B2C HR cloud, B2B HR Suite, AI-native payroll)
- Previously: Design Ops & Project Management — team strategy, design standards, onboarding, documentation

Founder @ Stealth Startup, Long-Term Care · 2026 – Now

Industries: Healthcare, Marketplace, Workforce Management

- Define product vision, business model, and AI strategy (staffing automation, shift-management copilot)
- Currently part of the **i3P Startup Academy (Politecnico di Torino) 2026** program
- Lead stakeholder discovery with directors, coordinators, and healthcare operators — synthesized into insight frameworks driving product decisions

Designer & UX Strategist @ Kilobit SRL (Self-employed) · Feb 2021 – Oct 2023

Industries: B2C, B2B, Public Administration

- **UX strategy & UX/UI design** for digital products across multiple verticals
- **Brand strategy**: brand analysis, benchmarking, creative direction, tone of voice
- **User research & discovery** to inform product and brand decisions
- Supporting work in graphic design and social media management

Product Designer & Freelance @ Turin, Italy · Oct 2020 – Oct 2023

- Freelance UX/UI across multiple clients: CNH Industrial (dealer UX), Albertina Academy of Fine Arts (institutional website, end-to-end redesign), Nicer (B2C mobile app, concept to MVP)
- Deepened expertise in inclusive design, accessibility, and ethical methodology
